

## ***INTER-SHINE*** **Rubber, Vinyl & Plastic Protectant & Conditioner**

A convenient ready-to-use aerosol dressing that creates a high-gloss finish on rubber, plastic, vinyl and most other surfaces. Designed for ease of use in all applications. It shines and protects against weathering, aging and ultra-violet rays without the use of silicone. Keeps rubber resilient in the harsh summer conditions. Restores rubber that is drying out, fading or cracking. Brightens exterior trim and removes wax deposits without harming painted surfaces.
