

MBX METAL BLASTER TOOL ASSORTMENT KIT

The MBX Metal Blaster Pneumatic Tool is a lightweight air grinder that, depending on which wheel you use, can be used for the removal of: seam sealer, undercoating, urethane, paint, rust, decals, adhesives, pinstripes, moulding tape and much more without damaging the metal surface. Specifically designed for the applications in car repair shops. This kit comes with a deluxe molded carrying/storage case for safety and portability.

Tool Features:

- *Fast! Saves time and increases productivity*
- *Compact, slim design adapts well to hard-to-reach edges and contours*
- *Extra handle for control and safety*
- *Safety guard*
- *Steady torque at a safe speed*
