

IES™ Hybrid Panel Bonding Lifetime Guarantee

IES guarantees to the original purchaser that IES Hybrid Panel Bonding Adhesive (#8422 or #8423), when used in accordance with the IES Weld Bonding Procedures or SMC Bonding Procedures (**either provided herein or on our website at www.useies.com**) and IES specified products and applications, will provide a durable bond for the life of the vehicle. This guarantee covers actual costs incurred by the installer for labor, replacement parts, materials and compensating the vehicle owner for reasonable cost of loss of use of the vehicle during replacement. To comply with the IES Hybrid Panel Bonding Lifetime Guarantee, a copy of this completed document must be retained with your repair files. IES Hybrid Panel Bonding Adhesive (#8422 or #8423) should only be used for bonding metal (steel or aluminum), SMC (Sheet Molded Compound), FRP (Fiberglass Reinforced Plastic), in full panel replacements of: Door Skins - Quarter Panels - Roof Skins - Rear Body Panels - Other Outer Body Panels.

IES Hybrid Panel Bonding Adhesive (#8422 or #8423) **SHOULD NOT** be used for bonding structural components such as rails, pillars, rocker panels, core supports, etc.; If there is any doubt as to what is a structural component, contact the vehicle manufacturer.

This express warranty is made in lieu of and all other warranties, express or implied, by operation of law or otherwise, including the Implied Warranties of Merchantability and Fitness for a Particular Purpose.
